This side-by-side duplex on a 5000 sf lot has great lane access for plenty of vehicles, boats, and recreation vehicles. Inside one side there are 3 bedrooms 1 bath and the other side has 2 bedrooms and 1 bath. Each side has its own laundry area. The units need some work, but when you are done, you would have a great family living space and an income-provider on the other side. If you are handy with renovations, this could be a great project! Live on one side and fix up the other--then move over to the other side and do it all again... When you are done, you would have two great living spaces, so take a look today!!
