WOW!! Prime location only a few blocks to Mill Lake, shopping and schools - very convenient. Great unit with some past upgrades including paint, Laminate floors, bathrooms and kitchen fixtures. Unit shows very well. Layout is open with large living room and dining area. The private cross hall bedrooms separate the master suite from the other bedroom. The forma living room has a gas fireplace and a walk out to a large view deck. The kitchen has white raised cabinets with a pass thru to the dining room for the nights company comes for dinner. The master suite has 2 closets and a 3pc en-suite. The laundry offers additional shelving for storing lots of goodies even though the kitchen has lots of cabinet storage. Nice private location.
